Ann Hume, President

Blessings to our prayer partners and financial supporters!!

September 2017

I'm still trying to figure out where summer went!!

This Sunday, September 24th, Wings of Hope will be picking up Guerlande and me at the old Wurtsmith Air Force Base and flying us to Shriners Children Hospital in St. Louis, MO until Friday September 29th. We will be spending five days in the research section of the hospital and the outcome will be in the next newsletter. I am still in awe and praising and thanking God for ordaining all of this!!

In August Guerlande's Aunt Jaimie came to visit us after Jaimie recently found her biological family in Haiti last July. Jaimie was raised in Canada since leaving Haiti at the age of four. She just met her sister, Guerlande's Mom, Erline, in July when Erline told her about how to get in touch with me and meet her niece. Jaimie will be joining us at Shriners for three days, not only to be with her niece that she has fallen in love with, but also to be tested for the mutated gene causing Multicentric Carpotarsal Osteolysis Syndrome a horrific and incurable disease.

We are very excited as Jaimie is coming again to Haiti, only this time with us, and staying at our house for two weeks. Guerlande and I fly back to Haiti October 9th.

Guerlande is holding an ultra durable soccer ball from One World Play Project. If you go to <https://www.oneworldplayproject.com> you can purchase these. Go to "Campaigns" and look under "Current Campaigns" for God's Children Haiti -- they are in alphabetical order. The company will mail the balls to my mail service in Haiti for free.

All children (except the six most special needs ones) are back in school. This is a huge effort because they go to four different schools, all with different needs and uniform colors for each school. As soon as I return I will be driving most of them so that they don't have to make the long walk.

Oscar, our security guard, motorcycle driver and a huge part of our mission is driving Rose Carmen and Bidiory to school. First he drives Djovaney and Wesley to their American, English speaking Christian school, Canaan.

Left --The kitchen, storage room and bath is almost completed on the new land thanks to your donations!!

Right --The bathrooms and showers are also coming along. We've already purchased toilets, submersible water pump, new generator, solar power and a urinal. Great progress!!!

Our building progress is coming along as we receive funding. Rent of ten thousand dollars is due again the end of December. Please pray this will be our last year to rent and all of our donations can be used for our own land and buildings!!!!!!

It's so hard being a missionary in Haiti the poorest country in the Western Hemisphere and an American doctor that has been serving in Haiti for years told me that Haiti has the worst healthcare in the world. Now there are three teenage girls, six teenage boys and two young men 20 and 21. Renel, age 21 is only a sophomore in high school and Lery, who had major surgery on both legs and never walked until he was 17 is only in 6th grade. Both of these young men came from very poor families and both have physical handicaps.

Benjina got her new leg last month.

God never said it would be easy to work for Him. I will never give up and stop doing mission work especially when it comes to the special needs kids but I need help. Please, please pray as I look for a person or a couple to join me and live at the orphanage full time. The kids desperately need a Godly person there all the time to mentor and love them.

Blessings upon blessings to all of you,

Ann Hume

Finally my brethren, be strong in the Lord and in the power of His might.
Ephesians 6:10

We are a 501(c)(3) corporation which means that all of your gifts are tax deductible. Our Federal Tax ID # is 38-3554131. You can go to the Michigan Department of State or guidestar.org to review our filings. None of the officers or directors receive any payments for their services but we do pay the Haitian employees and the highest paid employee is \$250 monthly.
